## Table 4: Sector Performance

### Notes:

- (1) The Group had 200 properties as at 31 Dec 2020 and 31 Dec 2019. Since Dec 2019, the Group completed (i) the divestment of Wisma Gulab in Jan 2020, (ii) the divestment of 202 Kallang Bahru in Feb 2020, (iii) the divestment of 25 Changi South Street 1 in Mar 2020, (iv) the completion of 254 Wellington Road, Mulgrave, Australia in Sep 2020 and (v) the acquisition of two US properties in San Francisco in Nov 2020.
- (2) The increase in gross revenue was mainly contributed by the two Singapore business park properties, which were acquired in Dec 2019, partially offset by the rent rebate provided for eligible tenants to ease the challenges faced as a result of the COVID-19 pandemic, the divestment of Wisma Gulab in Jan 2020 and lower occupancies at certain properties in FY2020. Included in the gross revenue is grant income, which is pertaining to the property tax rebates received from IRAS as part of the government's initiatives to help businesses adapt to the challenges caused by the COVID-19 pandemic. The increase in operating expenses was mainly contributed by grant expenses offsetting the grant income, higher accrued operating expenses and provision for estimated credit loss.
- (3) Higher revenue is mainly due to completion of 254 Wellington Road, Mulgrave in Sep 2020. Higher operating expenses is due to provision of estimated credit loss and increase in accrued operating expenses.
- (4) Higher revenue is mainly due to higher occupancy at certain properties and short term renewal at certain properties. Lower operating expenses is due to decrease in accrued operating expenses, partially offset by provision for estimated credit loss.
- (5) The Group acquired a portfolio of 28 business park properties in the US in Dec 2019 and another two properties in San Francisco in Nov 2020.
