Explanatory Note:

Ordinary Resolution 3

The Ordinary Resolution 3, if passed, will empower the Trustee-Manager from the date of this Annual General Meeting until (i) the conclusion of the next Annual General Meeting of a-iTrust, or (ii) the date by which the next Annual General Meeting of a-iTrust is required by the applicable regulations to be held, whichever is earlier, to issue Units and to make or grant instruments (such as securities, warrants or debentures) convertible into Units and issue Units pursuant to such instruments, up to a number not exceeding fifty percent (50%) of the total number of issued Units (excluding treasury Units, if any), of which up to twenty percent (20%) may be issued other than on a pro rata basis to Unitholders.

For determining the aggregate number of Units that may be issued, the percentage of issued Units will be calculated based on the issued Units at the time the Ordinary Resolution 3 is passed, after adjusting for new Units arising from the conversion or exercise of any Instruments which are outstanding at the time this Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Units.

With effect from 1 January 2011, issuers are allowed to undertake non-renounceable rights issue without specific unitholders' approval, provided the rights issue is priced at a discount not exceeding 10%.

Fund raising by issuance of new Units may be required in instances of property acquisitions or debt repayments. In any event, if the approval of Unitholders is required under the Listing Manual of the SGX-ST and the Trust Deed or any applicable laws and regulations in such instances, the Trustee-Manager will then obtain the approval of Unitholders accordingly.
