

Constituted in the Republic of Singapore  
pursuant to a trust deed dated 9 October 2002 (as amended)

**ISSUE OF HKD640,000,000 3.64 PER CENT. NOTES DUE 2029 PURSUANT TO  
THE S\$1,000,000,000  
MULTICURRENCY MEDIUM TERM NOTE PROGRAMME**

Ascendas Funds Management (S) Limited (the “**Manager**”), the manager of Ascendas Real Estate Investment Trust (“**A-REIT**”) wishes to announce that HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of A-REIT) (the “**Issuer**”), has issued HKD640,000,000 3.64 Per Cent. Notes Due 2029 (the “**Notes**”) to institutional investor(s). The Notes are issued under the S\$1,000,000,000 Multicurrency Medium Term Note Programme (the “**Programme**”) established by the Issuer on 20 March 2009. NATIXIS has been appointed as dealer of the Notes.

The Notes will mature on 4 September 2029 and will bear a fixed interest rate of 3.64% per annum payable annually in arrear, with the first interest payment date falling on 4 September 2015.

The Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and shall at all times rank *pari passu*, without any preference or priority among themselves, and *pari passu* with all other present and future unsecured obligations (other than subordinated obligations and priorities created by law) of the Issuer.

The Issuer has entered into a swap transaction to swap the HKD proceeds of the Notes, amounting to HKD640,000,000 into Singapore dollar proceeds of approximately S\$103.3 million for the tenure of the Notes. The net proceeds arising from the issue of the Notes (after deducting issue expenses) will be used towards refinancing the existing borrowings of A-REIT and the aggregate leverage of A-REIT would remain at approximately 34%.

The Notes have been assigned a rating of “A3” by Moody’s Investor Service. A rating is not a recommendation to buy, sell or hold securities, does not address the likelihood or timing of prepayment, if any, or the receipt of default interest and may be subject to revision or withdrawal at any time by the assigning rating organisation.

Pursuant to Rule 704(31) of the Listing Manual of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”), the Manager wishes to announce that it is an event of default under the Notes if the Manager is removed as manager of A-REIT pursuant to the terms of the trust deed constituting A-REIT and the replacement or substitute manager of A-REIT is not appointed in accordance with the terms of the trust deed constituting A-REIT. If such an event occurs, it may trigger cross defaults in the other facilities, debt issues and borrowings of A-REIT and/or its subsidiaries. In such an event, the aggregate level of facilities, debt issues and borrowings that may be affected is approximately S\$2,638 million<sup>1</sup> (including the Notes but excluding interest) as at today. As of the date of this Announcement, there has been no breach of the condition described above.

---

<sup>1</sup> Borrowings denominated in foreign currencies are translated at the prevailing exchange rates except for JPY/HKD-denominated debt issues, which are translated at the cross-currency swap rates that A-REIT has committed to.

The issue of the Notes is not expected to have a material effect on the net asset value and distribution per unit of A-REIT and its subsidiaries for the current financial year. None of the Directors of the Manager (the “**Directors**”) and, so far as the Directors are aware, none of the controlling unitholders of A-REIT, have any interest, direct or indirect, in the issue of the Notes, other than potentially as subscribers of the Notes.

#### **Important Notice**

The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that unitholders of A-REIT may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

The past performance of A-REIT is not necessarily indicative of the future performance of A-REIT.

This release may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other companies and venues for the sale or distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager’s current view on future events.
