

Constituted in the Republic of Singapore
pursuant to a trust deed dated 9 October 2002 (as amended)

ISSUE OF HKD500,000,000 3.00 PER CENT. NOTES DUE 2026 PURSUANT TO THE S\$5,000,000,000 MULTICURRENCY MEDIUM TERM NOTE PROGRAMME

Ascendas Funds Management (S) Limited (the “**Manager**”), the manager of Ascendas Real Estate Investment Trust (“**A-REIT**”) wishes to announce that HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of A-REIT) (the “**Issuer**”), has issued HKD500,000,000 3.00 Per Cent. Notes Due 2026 (the “**Notes**”) to institutional investor(s). The Notes are issued under the S\$5,000,000,000 Multicurrency Medium Term Note Programme (the “**Programme**”) established by the Issuer on 20 March 2009. DBS Bank Ltd. and The Hongkong and Shanghai Banking Corporation Limited have been appointed as joint lead managers for the Notes.

The Notes will mature on 4 February 2026 and will bear a fixed interest rate of 3.00% per annum payable annually in arrear.

The Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and shall at all times rank *pari passu*, without any preference or priority among themselves, and *pari passu* with all other present and future unsecured obligations (other than subordinated obligations and priorities created by law) of the Issuer.

The Issuer has entered into swap transactions to swap the HKD proceeds of the Notes, amounting to HKD500,000,000, into Singapore dollar proceeds of approximately S\$91.6 million for the tenure of the Notes. The net proceeds arising from the issue of the Notes (after deducting issue expenses) will be used towards refinancing the existing borrowings of A-REIT.

The Notes have been assigned a rating of “A3” by Moody’s Investor Service. A rating is not a recommendation to buy, sell or hold securities, does not address the likelihood or timing of prepayment, if any, or the receipt of default interest and may be subject to revision or withdrawal at any time by the assigning rating organisation.

Pursuant to Rule 704(31) of the Listing Manual of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”), the Manager wishes to announce that it is an event of default under the Notes if the Manager is removed as manager of A-REIT pursuant to the terms of the trust deed constituting A-REIT and the replacement or substitute manager of A-REIT is not appointed in accordance with the terms of the trust deed constituting A-REIT. If such an event occurs, it may trigger cross defaults in the other facilities, debt issues and borrowings of A-REIT and/or its subsidiaries. In such an event, the aggregate level of facilities, debt issues and borrowings that may be affected is approximately S\$3,488 million¹ (including the Notes but excluding interest and fair value adjustments) as at today. As of the date of this Announcement, there has been no breach of the condition described above.

The issue of the Notes is not expected to have a material effect on the net asset value and distribution per unit of A-REIT and its subsidiaries for the current financial year ending 31 March

¹ Borrowings denominated in foreign currencies are translated at the prevailing exchange rates except for JPY/HKD-denominated debt issues, which are translated at the cross-currency swap rates that A-REIT has committed to

2016. None of the Directors of the Manager and, so far as the Manager is aware, none of the controlling unitholders of A-REIT, have any interest, direct or indirect, in the issue of the Notes, other than potentially as subscribers of the Notes.

Important Notice

The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that unitholders of A-REIT may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

The past performance of A-REIT is not necessarily indicative of the future performance of A-REIT.

This release may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other companies and venues for the sale or distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's current view on future events.
